Did You Know?

There are kids and grown-ups in our community who do not own **books** of their own.

LEARN ABOUT WHO YOU'RE HELPING TODAY:

Reading is very important and everyone should have access to books. Many of us have books laying around our house - forgotten and not being used - while some people do not have any books at all. Your donated books will help make sure everyone in our community has a book to call their own and will be distributed by **2nd & 7** and **The Open Shelter**.

ASK YOURSELF:

Do you think it's fair that some people don't have any books?

How do you think the kids and grown-ups who receive your books will feel?

Thompson Park

You Belong Family Book Read & Book Drive

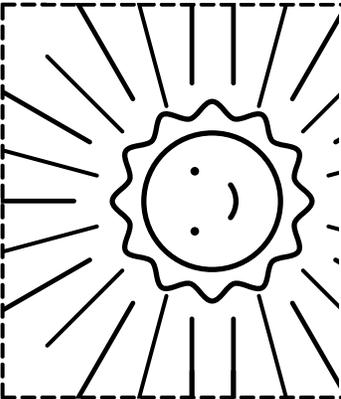

During the month of April, families are invited to read *Just Roll With It*, a middle-grade graphic novel that focuses on the themes surrounding mental wellness and belonging. On May 11th community members are invited to a celebration at Thompson Park, featuring a discussion with the illustrator and author of *Just Roll With It*, Veronica Agarwal and Lee Durfey-Lavoie.

To promote reading and community we will be partnering with Seeds of Caring for a book drive. Bring new or gently used book donations - any and all books are welcomed - to the event on May 11th. Donations will be distributed by 2nd & 7 and The Open Shelter to book lovers in our community. Together, we can make a big impact.

Meet us at Thompson Park!
